

The Elliston Echo

July 2016

All the major contenders for the Federal election in the seat of Grey have committed to backing an upgrade of telecommunications in the Elliston region.

A public meeting was held in June at the Elliston Golf Club which attracted about 80 locals. Elliston Council is looking to the Federal Government to fund two thirds of the expected upgrade cost of about 1.2 million dollars.

Temporary Closure of Public Toilets

The District Council of Elliston would like to advise that the Town Beach Park Toilets (end of Beach Terrace) and the beach access stairs will be closed for work as part of the Elliston Coastal Trail from 8am Monday 6th June 2016 until further notice.

Please use toilets at the Elliston Community & Visitor Information Centre while the works are in progress. We apologise for any inconvenience.
